## The Springfield Primary School

To : All parents TSPS/A24-[24-25]/013  
Subject : Implementation of Cyber Security Curriculum (2024-25)  
Date : 28<sup>th</sup> April 2024

Dear Parents,

We are pleased to inform you that the National Cyber Security Agency is introducing a cyber security curriculum to be implemented in the Computer Science subject for the academic year 2024-2025. This initiative aims to equip our students with essential knowledge and skills in cyber security, preparing them for the digital challenges of the modern world.

The cyber security curriculum will be integrated into computer classes and relevant materials will be shared through Google Classroom. It's important to emphasize that the topics covered in this curriculum will be included in all computer science examinations.

Kindly find the attached links to e-books and video resources related to the cyber security curriculum.
